Hard working web developer with a strong background in management, a newfound passion for programming, and the ability to build a web presence from concept and design to writing code. Since 2016,a self-directed learner, regular attendee of tech meetups and hackathons, and an open-source project contributor. Free time is spent self teaching French, travelling, tinkering with fountain pens, knitting, and volunteering.

Technical Skills

Ruby / Ruby on Rails	Sass / CSS	Git
JavaScript	Bootstrap	Bash
